

CAREY ACADEMIC BOOSTERS ANNUAL MEMBERSHIP DRIVE

The Academic Boosters is an independent organization in our community that raises funds to support academic growth and academic achievement for grades 6-12 at Carey Exempted Schools. We not only recognize honor roll students but those who are making strides to improve their grades. We support:

- The High School and Middle School Academic Awards Assembly
- The purchase of all Academic Letters & Honor Society Stars
- The Middle School Activity Days
- Teacher Appreciation Event
- Smart Cookie Award
- Academic Incentive Awards
- Honor Roll Incentive
- All A's Pizza Buffet
- Senior Breakfast
- Graduating Seniors by Awarding 5-\$500.00 scholarships annually
- Donations to other Student Organizations

Our success is funded by the generosity of people like you and profits from Middle School/Freshman Concession stands. Please consider continuing the tradition of acknowledging the importance of our students' hard work and efforts in the classroom.

We invite you to help support academic excellence at Carey High School through your Membership Renewal or initial Academic Booster Membership!

MEMBERSHIP LEVELS

\$250.00 and Above - Over Achiever
